

June

Chorus

Gm D/F#
June is beaming down on me
Gm7/F Em7/b5
But I can see her brightly shimmering
Ebmaj7 Em7/b5
Coke in glass, we're dancing
Am7/b5 D7
The sun is peaking, summer's waking

Verse 1

Gm D/F#
Waves that move the sand out to the shore
Gm7/F Em7/b5
Run between my fingers as they trickle over more
Ebmaj7 Em7/b5
Where the winds that pull the sails out to the lure
Am7/b5 D7
The sun is beating, fog is hazy

Verse 2

Gm D/F#
Lay my head down in the grassy night
Gm7/F Em7/b5
Gently grazing marigolds and twinkling fireflies
Ebmaj7 Em7/b5

Silent gazing, hmm

The moon is peeking, summer's sleeping
